

imprint at 100%

NOT A PROOF  
FOR CONCEPT PURPOSES ONLY

INSTRUCTIONS

Step 1: Place your logo and/or text in the designated imprint area.

Step 2: Hide/clear art from stock design that interferes with the appearance of your logo. The amount of art you hide/clear can vary depending on the size and shape of your logo.

Step 3: Make final color adjustments.

Step 4: Submit your final design for revision.
