

imprint at 100%

NOT A PROOF
FOR CONCEPT PURPOSES ONLY

INSTRUCTIONS

- Step 1: Place your logo and/or text in the designated imprint area.
- Step 2: Hide/clear art from stock design that interferes with the appearance of your logo. The amount of art you hide/clear can vary depending on the size and shape of your logo.
- Step 3: Make final color adjustments.
- Step 4: Submit your final design for revision.
